

**UNIVERSIDADE FEDERAL DE PERNAMBUCO  
EDITAL PROGRAMA INSTITUCIONAL DE INTERNACIONALIZAÇÃO - UFPE/PRINT  
RESULTADO FINAL**

Nº	PROGRAMA DE PÓS-GRADUAÇÃO	PROPOSTA
1	Biologia Animal	Innovative Tools And Technologies For The Evaluation And Conservation Of Biodiversity
2	Biologia de Fungos	Polyphasic Approach For The Study Of Fungal Diversity From Brazil
3	Biologia Vegetal	Expansion Of The Internationalization Of The Nucleus For The Prospection And Management Of The Biodiversity Of The Brazilian Northeast (Npgbio): The Role Of The Graduate Program In Plant Biology (Ppgbv/Ufpe)
4	Ciência da Computação	Fundamentals, Methods And Systems For Computer Science And Their Use By Society
5	Ciência Política	Corruption In Brazil
6	Ciências Biológicas	Innovative Nanobased Drug Delivery Systems: Development And Characterization
7	Engenharia Civil	Biodegradation Of Hazardous Compounds From Wastes And Treatment Technology For Contaminated Water And Soil (Recal)
		Modeling, Computational Simulation & Optimization For Petroleum Engineering - MCOPE
8	Engenharia de Produção	Advances And Innovation In Management Engineering
9	Engenharia Elétrica	Innovative Nano And Mems Devices For Microwaves, Terahertz And Photonics Applications

**UNIVERSIDADE FEDERAL DE PERNAMBUCO**  
**EDITAL PROGRAMA INSTITUCIONAL DE INTERNACIONALIZAÇÃO - UFPE/PRINT**  
**RESULTADO FINAL**

		International Cooperation In Electrical Engineering: Signal Processing And Communications
10	Física	New Perspectives On Internationalization Of Physics And Its Multidisciplinary Applications
11	Genética	Innovation On Vaccinal Strategies Against Hpv-Related Cancers
12	Inovação Terapêutica	Health-Innovation In Systemic Sclerosis: Development Of New Therapeutic Approaches, Diagnosis And Evaluation Of Health Expenditures - Hisys.
13	Matemática	Theoretical And Numerical Analysis Of Some Physical Systems
14	Medicina Tropical	Discovery And Development Of New Site-Specific Antifungal Compounds With Fluconazole-Resistance Reversal Capacity
15	Oceanografia	International Joint Laboratory Tropical Atlantic Interdisciplinary Laboratory On Physical, Biogeochemical, Ecological And Human Dynamics - Ijl Tapioca-Ufpe
16	Química	Internationalization Of The Graduate Program In Chemistry At Ufpe Via Synthesis, Characterization, Analysis, Modeling And Applications Of New Chemicals And Materials
17	Serviço Social	Suppression Of Rights And The Sociopolitical Implications For The Life And Work Of Peripheral Populations
18	Sociologia	Public Policies, Food, Working Conditions And Gender Relations. New Local-Global Processes And Dynamics At The Public Policies.
		The Reception Of Bourdieu's Work Within Brazilian Sociology

**UNIVERSIDADE FEDERAL DE PERNAMBUCO**  
**EDITAL PROGRAMA INSTITUCIONAL DE INTERNACIONALIZAÇÃO - UFPE/PRINT**  
**RESULTADO FINAL**

		The "Post-Colonial" In The Portuguese-Speaking World And The Place Of African Literatures In "World Literature".
19	Tecnologias Energéticas e Nucleares	Biodiversity And Conservation Of Natural Resources

Observações:

1. Os programas de pós-graduação contemplados devem aderir **integralmente** aos dispositivos do Edital Capes nº 41/2017 (Print).
2. Os projetos aprovados poderão sofrer ajustes recomendados pelo Grupo Gestor do Print na UFPE.
